

Property Management

ConsolidatedAnalytics.com | 800.320.9490

For over a decade, Consolidated Analytics Property Management has provided exceptional residential property management services to lenders, servicers, GSEs and private investors looking to efficiently manage institutional or investor-owned portfolios. Whether you are a buy and hold investor, an institutional investor, a manager of distressed assets, or a house flipper, we provide customized property management solutions nationwide.

Leverages a Nationwide Network

Our nationwide network of licensed property managers and repair contractors support a range of rental management needs such as eviction, preservation and maintenance and ensure compliance with local law.

Streamlines Rent Management

Our proprietary rental management platform, RentPointe, tracks payments to ensure your assets are performing as expected and your portfolio is generating timely returns.

Delivers Exceptional Tenant Relations

From property marketing and tenant screening, rent collection and maintenance, our experienced team of asset managers ensure exceptional, compliant and ethical rental management practices.

Benefits of Consolidated Analytics' Rental Management

We help investors and servicers:

- Streamline management of single-family rental (SFR) and multifamily rental
